ORDER OF SERVICE

NELSON S. ROMÁN, United States District Judge:

Plaintiff, currently incarcerated at Great Meadow Correctional Facility, brings this *pro se* action under 42 U.S.C. § 1983, alleging that at Green Haven Correctional Facility, Tennessee S. Palmer and A. Valle (together, “Defendants”) assaulted him in retaliation for his filing of a prior lawsuit against other correction officers. By order dated September 24, 2021, the Court granted Plaintiff’s request to proceed without prepayment of fees, that is, *in forma pauperis* (“IFP”).¹

DISCUSSION

Because Plaintiff has been granted permission to proceed IFP, he is entitled to rely on the Court and the U.S. Marshals Service to effect service. *Walker v. Schult*, 717 F.3d 119, 123 n.6 (2d Cir. 2013); *see also* 28 U.S.C. § 1915(d) (“The officers of the court shall issue and serve all process . . . in [IFP] cases.”); Fed. R. Civ. P. 4(c)(3) (the court must order the Marshals Service to serve if the plaintiff is authorized to proceed IFP)). Although Rule 4(m) of the Federal Rules of Civil Procedure generally requires that the summons and complaint be served within 90 days of the date the complaint is filed, Plaintiff is proceeding IFP and could not have served the summons and complaint until the Court reviewed the complaint and ordered that a summons be

¹ Prisoners are not exempt from paying the full filing fee even when they have been granted permission to proceed *in forma pauperis*. *See* 28 U.S.C. § 1915(b)(1).

issued. The Court therefore extends the time to serve until 90 days after the date the summons is issued. If the complaint is not served within that time, Plaintiff should request an extension of time for service. *See Meilleur v. Strong*, 682 F.3d 56, 63 (2d Cir. 2012) (holding that it is the plaintiff's responsibility to request an extension of time for service); *see also Murray v. Pataki*, 378 F. App'x 50, 52 (2d Cir. 2010) ("As long as the [plaintiff proceeding IFP] provides the information necessary to identify the defendant, the Marshals' failure to effect service automatically constitutes 'good cause' for an extension of time within the meaning of Rule 4(m).").

To allow Plaintiff to effect service on Defendants Officers Tennessee S. Palmer and A. Valle through the U.S. Marshals Service, the Clerk of Court is instructed to fill out a U.S. Marshals Service Process Receipt and Return form ("USM-285 form") for each of these Defendants. The Clerk of Court is further instructed to issue a summons and deliver to the Marshals Service all the paperwork necessary for the Marshals Service to effect service upon these Defendants.

Plaintiff must notify the Court in writing if Plaintiff's address changes, and the Court may dismiss the action if Plaintiff fails to do so.

CONCLUSION

The Clerk of Court is directed to mail a copy of this order to Plaintiff, together with an information package.

Local Civil Rule 33.2, which requires defendants in certain types of prisoner cases to respond to specific, court-ordered discovery requests, applies to this action. Those discovery requests are available on the Court's website under "Forms" and are titled ["Plaintiff's Local Civil Rule 33.2 Interrogatories and Requests for Production of Documents."](#) Within 120 days of

service of the complaint, Defendants must serve responses to these standard discovery requests. In their responses, Defendants must quote each request verbatim.²

The Clerk of Court is further instructed to issue a summons as to Defendants Palmer and Valle, complete the USM-285 forms with the addresses for these defendants, and deliver all documents necessary to effect service to the U.S. Marshals Service.

SO ORDERED.

Dated: September 28, 2021
White Plains, New York

A handwritten signature in blue ink, appearing to read 'Nelson S. Román', is written over a light blue rectangular background.

NELSON S. ROMÁN
United States District Judge

² If Plaintiff would like copies of these discovery requests before receiving the responses and does not have access to the website, Plaintiff may request them from the Pro Se Intake Unit.
